## EDUCATION

University of Memphis, Memphis, TN  
BS, Computer Science

GPA: 3.47

Expected: May 2018

## EXPERIENCE

### Intern – Data Center Operator

Jun 2015-Aug 2015

Deloitte, Hermitage, TN

- Interviewed CTO leaders to gather key performance indicators. Developed a dashboard to report on KPIs with internal and external audience views. Presented dashboard to CTO executives.
- Assembled HP intelligence server racks. Drafted the data center floor plan using Visio. Performed regular maintenance of the data center floor space
- Created a web interface to gather ITS capabilities to feed the ITS capability roadmap tool

### iOS Mobile Developer

Jan 2015 – May 2015

University of Memphis Crews Center for Entrepreneurship, Memphis, TN

- Developed and maintained two iOS apps currently available in the Apple App Store
- Developed and maintained one web application for a non-profit organization who services at risk youth

### Intern – Technology Support Administrator

Jun 2014-Aug 2014

Deloitte, Hermitage, TN

- Performed imaging, setup, and deployment of PCs and servers
- Provided PC and mobile device technical support to users at the walk-up support desk

### BDPA High School Computer Competition Team Member

Feb 2014-Aug 2014

Black Data Processing Associates, Middle TN Chapter

- Lead a team of five in a national website programming competition where multiple technologies were used to build a fully functional website in 8 hours
- Ranked in the top five out of 21 teams in the 2014 competition

## ENTREPRENEURIAL PROJECTS

### League of Legends Rival

[KareemDasilva.me/LoLTrainer/index.php](http://KareemDasilva.me/LoLTrainer/index.php)

Using Riot.API created a gaming statistical comparison tool to be used by players. Statistics are gathered based on cumulative play during the current game season.

### Uin

<http://www.bit.ly/uiniphone>

Lead UI designer and developer of an iOS mobile app, Uin, used by campus organizations to communicate events for the purposes of encouraging college students to become involved in campus activities
